

HÖLDERLIN VALLEY TURNPIKE

>> GREG PLACONOURIS

Big (Glass) Table

Barthes hums, "Cause we've ended as lovers."

The humidity of after-session afternoons

Perfidy also rises

Nothing like glitter bugs

Magic carpet ride

Puff ragged escapism

Brutal realities/homeless/reeds

Politics "real" undertone

L-pseudo-entertained

In dreams

Begin responsibilities

Choking on the past

Hybridizing subjects/sites

Clarion call of images

New frequencies:

Bach's *Two and Three Part Inventions* as working models

for the (non) working artist(s)

Narcoleptic paregoric

Use-value, exchange-value

We do know/don't care...

"We can take back to '81...

That strong green angelic eye-dust from Trois reveries."

A perfect storm

Squeal Brake

Faux bounce enhanced

Sketch books, colouring broods

Brigid Berlin scrapbook Sid

Ether/æther/flash frozen

Somehow, we all turned grey

Bell rung epoch—*High Windows*

A shot in the wrist

Apartheid memories hot contract zones

West coast glass. Suspicious authorities.

Why not? Noisy furnaces.

Neighbours muted chintz perms & frosted white curtains

The ambivalent south lands

Ersatz enzymes

The rhetorical east side

Guilty late charge. Strapped and all GATT.

San Fernando valley. Bad credit.

Vallejo memories and her so-called high-class clientele

Disembodies. Honest stake. Plot lines.

No fault installment. Compound interest. My lessons.

Started in a clearing. The tower.

Thought bubble genealogy underground:

Who might read & would they care?

A voice: "Questions, indeed, remain."

Did you know that Philip K. Dick was a room-mate of Jack Spicer?

The magical time:

Alterity induced through formal experiments

Scaffolding. Bulwark. Mortar. Bags of sand. Burrowing in. Popcorn.

White bucks. Future bellies. Chicago, '68.

And now to business news: The Down Jones Industrial Average reached an
all-time
temperate suffering

Main characters: *Alasteir*, a counter-foil

Gyroscope postures.

Palace snow were the days.

A mission in the rain

Now reduced to either all positive or just negative. Conditioning.

Agent orange operant. Easy mark.
